

Walden Residents,

Due to the extraordinary weather conditions, power outages, spotty Internet connections at best, and the advice of legal counsel, the February Board of Trustee meeting is canceled.

Walden offices as well as other amenities will remain closed at this time until further notice.

We are continuing to monitor the weather and will provide additional updates. We hope that everyone stays warm and is prepared for the next wave of cold weather.

Walden Staff

*NOTE: Montgomery ISD schools and district offices will also remain closed through Wed, Feb 17. No remote or in-person learning will occur on Wed, Feb 17.*
