# LADIES ASSOCIATION *of* WALDEN

Happy March, everyone! With spring just around the corner, it's the perfect time for fresh beginnings and renewed energy. March also gives us the chance to celebrate Women's History Month, which feels even more special as part of this incredible group.

Looking back on February, our meeting was truly one to remember! A huge thank you to everyone who joined us and to our amazing singer/comedian duo, Julia Laskowski and Patti Rabaza, for bringing so much laughter and joy to the luncheon.

I'd also like to extend a special thank you to Carolyn Shulman, our talented Table Decorations Chair, for not only speaking at the meeting but also for the incredible work she and her committee put into making each gathering so beautiful and welcoming. Their creativity and hard work truly elevate our events, and we're so grateful for all they do.

# 2024 LAW Woman of the Year - Carol Maak

Another highlight from the luncheon was celebrating our 2024 Woman of the Year, Carol Maak!

It was an honor to crown Carol and recognize her for her outstanding contributions, leadership, and dedication. She truly represents the spirit of our association, and we couldn't be prouder to acknowledge her incredible impact on our community. Congratulations, Carol!

## Mark Your Calendars for These Upcoming Events:

1. Walden Follies Luncheon – Friday, March 7, 2025 – Join us for an afternoon full of laughter, music, and entertainment that will leave you smiling long after it's over. You can purchase tickets directly from Walden Follies using the form included in this newsletter (not through the Ladies Association).
2. April Luncheon – Friday, April 4, 2025 – Doors open at 10:45 a.m., with the business meeting starting at 11:15 a.m. We're excited to have a guest speaker from the Montgomery County District Attorney's office specializing in financial crimes, forfeiture, and elder abuse. She'll discuss online safety to help us protect ourselves in today's digital world. We'll also be starting the business meeting a little earlier to accommodate our speaker. Plus, we'll be treated to entertainment by local magician David Kenney, who will amaze us with his incredible tricks! Feel free to wear your Spring or Easter best.
3. Shakespeare in Love at Crighton Theatre – Sunday, April 6, 2025 – Join us for a fun outing to see Shakespeare in Love at the Crighton Theatre! We've secured 30 group tickets for just \$23 each (\$25 for guest tickets). Reservations are now open on Club Express, so be sure to grab your spot!

I'm really looking forward to everything we have planned for the months ahead. Whether it's through fun events, volunteering, or just enjoying each other's company, this group continues to be such a special part of my life—and I know many of you feel the same. Thank you for your energy, support, and enthusiasm. Let's make March a fantastic month!

Warm regards,

Diana White, President, Ladies Association of Walden

# MEN'S ASSOCIATION *of* WALDEN

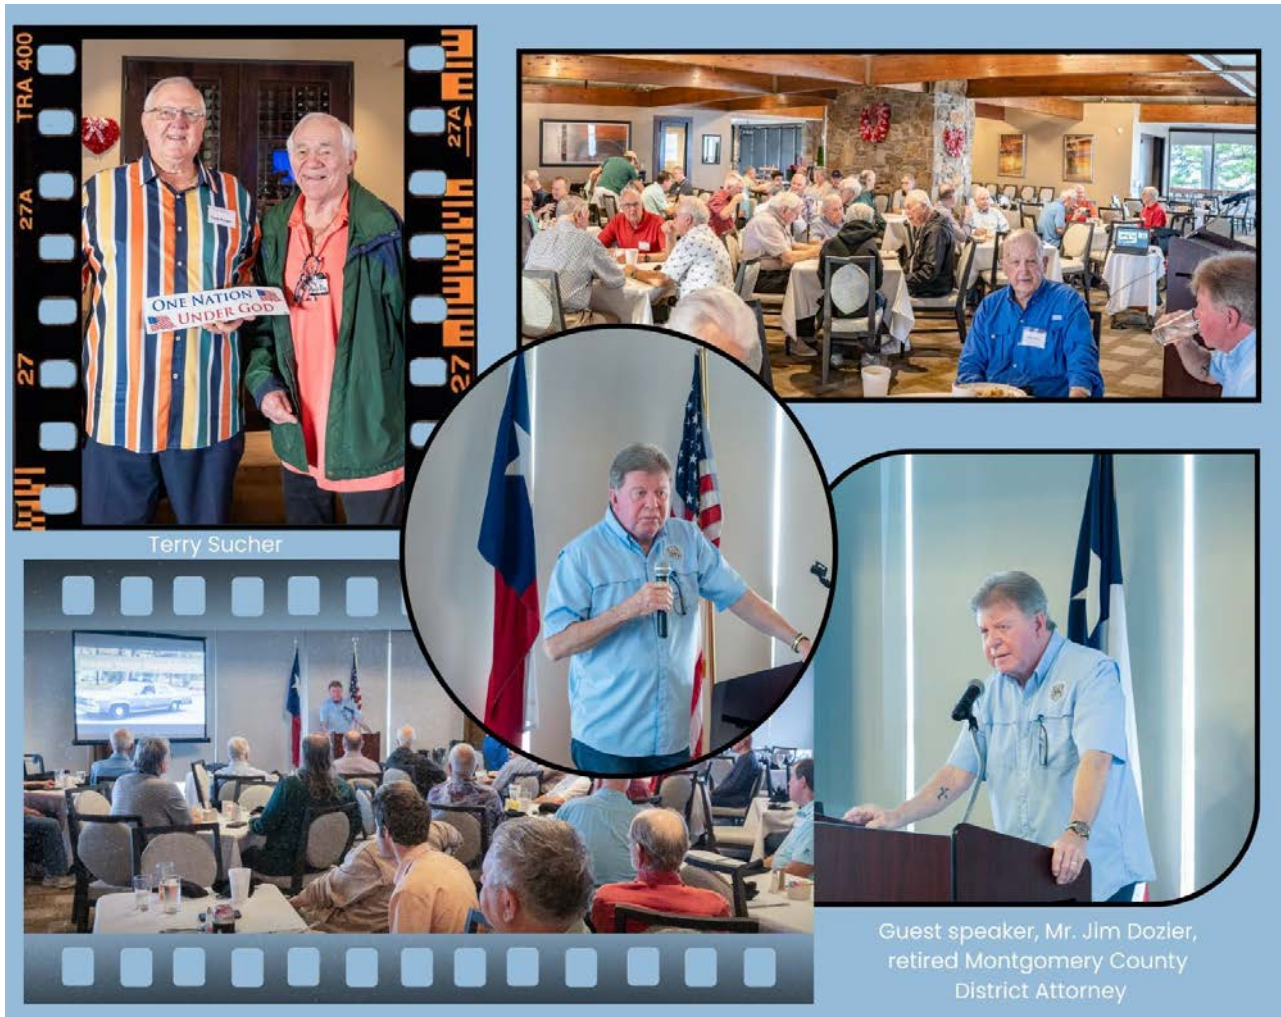

The Walden Men's Breakfast Group enjoyed a fascinating presentation by one of our own, Jim Dozier, on Friday, February 7.

Jim shared highlights from his extensive career, which began as a Houston patrol officer and later included roles with the DEA, Montgomery County District Attorney's Office, the Texas State Law Enforcement organization, and as a professor at Sam Houston State University. His talk was filled with engaging real-life stories.

His main presentation, "Know Your Neighbors," emphasized the importance of community awareness today. He also took the group back to a memorable night in 1970, when a photographer captured a full evening of his patrol shift, offering a rare glimpse into the life of two young officers on duty.

Additionally, Terry Sucher spoke about continuing the ministry of selling "One Nation Under God" magnetic signs.

Reminder: There will be NO meeting in March due to the Walden Follies. We look forward to seeing everyone in April!

By Margie Barlow  
Montgomery County Master Gardener (2002)  
MargieL.Barlow@gmail.com

I have often commented in my newsletter that our Texas weather is ever changing. Can you believe that on January 21st. and 22nd. we had snow and we had two snow day holidays at school? Then, lo and behold, the first week of February, I was wearing shorts and we had highs in the 80's. As I'm writing this article on February 9th, I decided to check the 10-day forecast and beginning on February 10th - 15th our highs will be what I consider normal which is 50's and 60's with lows in the upper 30's. For those of you that have just moved to the area, get used to this. Your heat is on one day and the next you might turn on your a/c or just open your windows and enjoy the fresh air.

With all of this up and down weather, your azaleas are probably starting to bloom and if you have camellias, they are still blooming. The Elm trees have already started to put on their leaves so I am hoping that we have an early spring. You need to consider fertilizing your azaleas and camellias after they bloom. You can use ironite granules and an azalea/camellia fertilizer.

Now, with our wacky weather and all the rain that we have experienced, your yard is still pretty moist. I would recommend that you

not turn on your sprinkler system this month. You can apply your fertilizer and consider putting down a fungicide and herbicide. Please refer to my previous article where I provided you with the schedule and what to use.

Remember, I've always said that when pecan trees start to leaf out, spring is on its way, so this is what it means. You can begin to start cutting back all your freeze damaged plants. Don't go crazy with your pruning. Start at the top and work your way down until you see green. Also try to cut at an angle instead of a straight blunt cut. If you have a large amount of dollar clover and various types of weeds, Bonide Weed Beater is great. I am including a picture of my purple salvia and hot lips salvia to show you that they are still green and blooming even after being covered in snow.

If you drained your sprinkler lines during our freezing temperatures, don't forget to turn them back on but leave your system off. You will only need to water after you fertilize and then on an as needed basis.

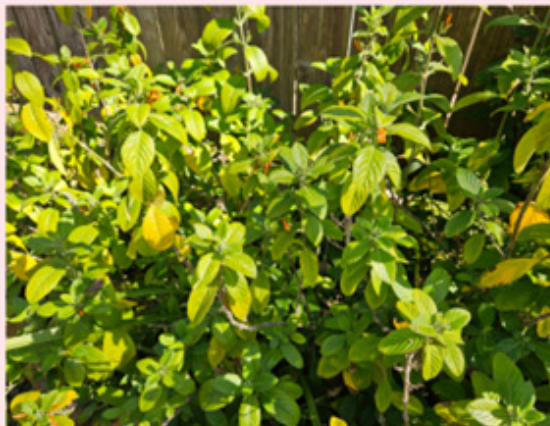

### Tip of the Month:

Enthusiasm, like the flu, is contagious – we get it from one another.

**APRIL:** Walden's very own David Kenney will entertain us with 30 minutes of magic and fun! Born at an exceptionally young age, David Kenney grew up in Sacramento, California and is living proof that nobody is perfect. David and his beautiful wife Joanna have been married for 25 years and have two boys. Like a grocery cart with a wonky wheel, David's career has gone all sorts of directions – he's made hamburgers, unloaded trucks, sold telescopes, helped university professors with their computers, driven a train and operated a merry-go-round. Currently he is living the dream as the Pastor of Walden Community Church! In April, Pastor David will be attempting to entertain the LAW ladies with a little bit of magic and a whole lot of misdirection. Feel free to wear your Spring or Easter best. See you on Friday, April 4th.
